ANSWER AND COUNTERCLAIM

Applicant WEST MARINE PRODUCTS, INC. (“West Marine” or “Applicant”) hereby answers the Notice of Opposition (the “Notice”), filed June 25, 2012, of Opposer WATERCRAFT SUPERSTORE, INC. (“Watercraft” or “Opposer”) as follows:¹

1. Applicant is without sufficient knowledge or information to form a belief as to the allegations contained in Paragraph 1 of the Notice and therefore denies the same.
2. Applicant is without sufficient knowledge or information to form a belief as to the allegations contained in Paragraph 2 of the Notice and therefore denies the same.
3. Admitted.
4. Applicant is without sufficient knowledge or information to form a belief as to the allegations contained in Paragraph 4 of the Notice and therefore denies the same.
5. Applicant is without sufficient knowledge or information to form a belief as to the allegations contained in Paragraph 5 of the Notice and therefore denies the same.

Applicant denies that Opposer is entitled to any relief, including the relief sought in the WHEREFORE clause of its Notice.

¹ Applicant filed a Motion to Suspend Proceedings (the “Motion”) pending the outcome of a civil action on August 1, 2012. As the Motion is still pending before the Board, Applicant hereby files its Answer.

AFFIRMATIVE DEFENSES

6. Opposer's Opposition is barred because it fails to allege facts sufficient to state a claim against Applicant, specifically, there is no likelihood of confusion between Opposer's Mark and Applicant's Mark in view of the goods covered by the respective registration and applications.

7. Opposer's Opposition is barred because Applicant owns a prior registration for the BLACKTIP mark.

8. Opposer's Opposition is barred by the doctrine of unclean hands based on its agreement, assurances, and acts of inducement in its dealings with Applicant.

9. Opposer's Opposition is barred because Opposer is estopped from seeking relief from Applicant based on an agreement in principal between the parties and assurances that Opposer provided to Applicant that Opposer would not object to Applicant's use of the BLACKTIP mark, would phase out use of the BLACKTIP mark and would pursue the then-pending BLACKTIP registration and assign the BLACKTIP mark and all associated goodwill to Applicant, in exchange for valuable consideration provided by Applicant.

10. Opposer's Opposition is barred because, upon information and belief, Opposer knowingly made false and material representations of fact in connection with its BLACK TIP trademark application submitted to the PTO concerning, among other things, the relatedness and also proximity between the prior use by Applicant's predecessor-in-interest of the BLACKTIP mark and Opposer's subsequent use of the BLACKTIP mark in connection with personal flotation devices (i.e., life jackets) and/or other products relating to personal watercraft.

COUNTERCLAIMS

11. Pursuant to 37 CFR § 2.106(b)(2)(ii) and TBMP § 313.01, Applicant filed its separate Petition for Cancellation (assigned Cancellation Proceeding No. 92-055,840) of Opposer's Registration No. 3,990,931, the registration pled by Opposer as the basis for this Opposition, and hereby incorporates the claims made therein by reference. Attached as Exhibit A is a copy of the Petition for Cancellation of Reg. No. 3,990,931.

PRAYER FOR RELIEF

WHEREFORE, Applicant contends that the Notice of Opposition is without grounds and requests judgment denying the Notice of Opposition and this proceeding in its entirety with prejudice.

Respectfully submitted,

GREENBERG TRAURIG, LLP

Cancellation No. _____

United States Patent and Trademark Office
Trademark Trial and Appeal Board
P.O. Box 1451
Alexandria, VA 22313-1451

PETITION FOR CANCELLATION

Petitioner WEST MARINE PRODUCTS, INC., (“West Marine” or “Petitioner”), a California corporation with a business address at 500 Westridge Drive, Watsonville, California 95076, believes that it has been and will continue to be damaged by the continued registration of the mark that is the subject of Registration No. 3,990,931 and hereby petitions for cancellation of the same.¹

The grounds for cancellation are as follows:

1. Petitioner is the largest specialty retailer of marine-related equipment, supplies, and accessories, with over 320 company-operated stores around the world. Petitioner also has a significant internet presence and its internet channels and call centers offer customers the option of purchasing over 60,000 products on-line. Petitioner’s extensive product offerings (directly and through its licensee)

¹ Registration No. 3,990,931 is the pled registration by Respondent in Trademark Trial and Appeal Board Opposition Proceeding Nos. 91-205,448 and 91-205,765 against Petitioner (both, *Watercraft Superstore, Inc. v. West Marine Products, Inc.*). Pursuant to 37 CFR § 2.106(b)(2)(ii), Petitioner raises a defense to those proceedings by the instant Petition for Cancellation rather than a counterclaim.

include, among other things, surfboards, boat covers and seating, trailers, anchoring equipment, cabin and bedding items, apparel, electrical and electronic equipment, personal watercraft equipment, sailing equipment and many other equipment, supplies, and accessories dedicated to marine-related recreational activities, including for instance, surfing and boating.

2. Since at least as early as March 1, 2008,² Petitioner has continuously and exclusively used and is using in commerce the BLACKTIP standard character mark (“Petitioner’s Word Mark”) and

BLACKTIP design logo (“Petitioner’s Design”)(collectively, the “Petitioner’s Marks”) in connection with surfboards.

3. Petitioner owns both common law rights and federal applications and registrations for Petitioner’s Marks, which filing and first use dates all date back prior to any date on which Respondent can rely, and has been using these marks in connection with surfboards and related goods and accessories since at least as early as March 1, 2008. A chart containing Petitioner’s U.S. registrations and pending applications for Petitioner’s Marks is attached hereto as Exhibit A. The registrations are valid, subsisting and in full force and effect, and constitute *prima facie* evidence of the validity of Petitioner’s Marks and Petitioner’s exclusive right to use the marks on the goods identified in the registrations. A copy of the registration certificates and corresponding TARR status reports are attached hereto as Exhibit B and are made part of the record in these proceedings.

4. Since its establishment, over the past several decades, Petitioner has become the industry leader in marine-related equipment, supplies, and accessories by offering an extensive line of products and services dedicated to marine-related activities, including for instance, surfing and boating.

5. As a result, Petitioner’s Marks are closely associated with Petitioner’s long-standing reputation for quality and excellence in the marine-related retail industry, and the purchasing public has come to know, rely upon, and recognize the goods and services of Petitioner by such marks. Based on

this extensive and prominent use, Petitioner's Marks have achieved fame and represent enormous value and goodwill.

6. Upon information and belief, Respondent Watercraft Superstore, Inc. ("Watercraft" or "Respondent") is a Florida corporation located at 1401 North Myrtle Avenue, Clearwater, Florida 33755.

7. The mark that is the subject of this Petition for Cancellation is covered by Respondent's Registration No. 3,990,931 (the "Respondent's Registration").

8. Registration No. 3,990,931 is for the mark BLACK TIP (the "Respondent's Mark") and is allegedly used in connection with "personal flotation devices, namely, life vests" in Class 9 with an alleged first use of May 26, 2010; "fitted seat covers for marine vehicles, namely, fitted seat covers for personal watercraft" in Class 12 with an alleged first use of February 1, 2010; "clothing, namely, t-shirts, hats, shirts, shorts, sweatshirts and jackets" in Class 25 with an alleged first use of November 9, 2010; and "anti-slip floor mats for marine vehicles, namely, anti-slip floor mats for personal watercraft" in Class 27 with an alleged first use of February 4, 2010. The application was filed on December 7, 2009 and registered July 5, 2011.

9. Petitioner's first use of Petitioner's Marks predate all of Respondent's filing, first use and registration dates of Respondent's Mark. Indeed, Petitioner's registrations for Petitioner's Marks were filed and used long before any date upon which Respondent can rely.

10. Moreover, based on Petitioner's extensive use, promotion, and advertising of Petitioner's Marks, Petitioner's Marks are and have become strong, distinctive, and famous in the United States within the meaning of the Lanham Act.

11. Respondent's Mark is identical to Petitioner's Word Mark, the only difference being the inclusion of a space in between the wording BLACK and TIP in Respondent's Mark. Essentially, the two marks are visually and aurally identical, and convey identical commercial impressions.

² Petitioner filed its applications for Petitioner's Marks on November 7, 2007, therefore, its constructive first use date is actually November 7, 2007.

12. In addition, Respondent's Mark is identical to the wording contained in Petitioner's Design, again the only difference being the inclusion of a space in between the wording BLACK and TIP in Respondent's Mark.

13. Accordingly, Respondent's Mark directly evokes the distinctive commercial impression associated with Petitioner's Marks. Given the fame and reputation of Petitioner's Marks in the marine-related retail industry, Respondent's use of an identical mark is likely to cause consumer confusion in the marketplace as to Respondent's association with Petitioner.

14. The goods identified in Respondent's Registration are identical and/or commercially related to the goods that Petitioner offers or intends to offer under Petitioner's Marks. Significantly, both parties provide equipment, supplies and accessories for marine-related recreational activities and are offered through overlapping channels of trade.

15. Due to the identical nature of the parties' marks and underlying goods, it is highly likely that consumers will view Respondent's Mark as a mere extension of the famous Petitioner's Marks. As such, consumers will erroneously believe that the Respondent's Mark is connected to or otherwise associated with Petitioner, or that Petitioner has, to some degree, sponsored or endorsed Respondent's products. Accordingly, the Respondent's Mark is likely to cause confusion, mistake and/or deception among the consuming public regarding the source, affiliation and/or sponsorship between Petitioner and its goods and services, and Respondent and its goods, all to the irreparable harm of Petitioner.

16. In addition, because of the fame acquired by Petitioner's Marks, continued registration of the Respondent's Mark will dilute the value and distinctive quality of Petitioner's Marks.

17. The continued registration of Respondent's Mark for the goods identified therein is inconsistent with Petitioner's superior rights in Petitioner's Marks, and has caused and will continue to cause damage to Petitioner and Petitioner's rights in the same.

18. By virtue of the foregoing, the Respondent's Registration is subject to cancellation and should be cancelled.

* * * *

WHEREFORE, Petitioner prays that U.S. Trademark Registration No. 3,990,931 be cancelled and that this Petition for Cancellation be sustained in favor of Petitioner.

Respectfully submitted,

GREENBERG TRAURIG, LLP
